Copy the outline of the hearts onto fabric using the template. You may use a pen with disappearing ink; the ink disappears after a couple of days. Cut out the hearts.

Apply a coat of decoupage lacquer for fabric onto the wooden heart.

Attach a string for hanging.

Template

Place the fabric onto the heart. Apply another coat of decoupage lacquer for fabric on top of the fabric.

Make a hole for the string using a hole punch.

Wooden Hearts for hanging, decorated with Fabric Decoupage

These wooden hearts are decorated with fabric decoupage and a piece of string for hanging.

Make a small heart the same way as you made the large heart.

Attach the small heart onto the large heart with decoupage lacquer for fabric.
