Pictures on a Piece of natural Twine with wooden Beads, Pegs and Sequins

Hang your pictures on a piece of natural twine with pegs and wooden beads decorated with sticky base transparent, self-hardening modelling gel with sequins.

Mix Sticky Base transparent, self-hardening modelling gel with sequins.

Apply the mixture to six wooden beads.

Thread the beads onto a piece of natural twine. Tie loops at both ends for hanging. Attach pegs between the wooden beads at your own choice of distance.
