## A Gorgeous Christmas Table

The trees and the decorations are made by scrunching floral wire together, sprinkle with glitter and pop up with Pop Up Line. The bowl and the clothes pegs are painted with Plus Color.

01 Cut the flower sticks into desired lengths and sharpen one end with a pencil sharpener.

02 Unwind some floral wire, scrunch together and form into a tree shape. Also form small hearts for place cards and square napkin rings.

03 Push the flower stick through and lock the floral wire at the bottom.

04 Apply a generous layer of Pop Up Line. Gently brush across the floral wires.

05 Immediately sprinkle glitter onto the tree. Allow to dry completely.

06 Pop up the Line either with a heat gun or in the oven at 150° C for no more than 3 minutes.

07 Fill the bowl with clay and immediately paint the clay with white Plus Color.

08 Sprinkle decorative glitter in the wet paint. Glue the star onto the tree and push the flower stick into the clay.

09 Glue the floral wire heart onto the place card. Write the name with a piece of chalk.

10 Glue a feather onto the glass bird's tail and fasten the bird onto the napkin ring.

11 Make dots on the painted clothes pegs using the end of the brush handle.
