

Decorations for
the New Year's
Table

STEP BY STEP 123

Inspiration: 12124

Paint the numbers and when the paint is dry, attach the napkins using decoupage lacquer on the front and back. When this is dry, brush the sides with decoupage lacquer and sprinkle with glitter.

Decorations for the New Year's Table

Paint the papier-mâché numbers with Plus Color Craft Paint. The napkins are attached with decoupage lacquer and the glitter sprinkled onto the wet lacquer.
