01 Form a head. Roll two oval clay pieces flat with a clay rolling pin and press a lace border into the wet clay.

02 Press the three parts together gently so that one oval becomes the body and the others the wings. Make a hole for hanging. Let it dry.

03 Varnish with acrylic lacquer on all surfaces without a lace pattern. Let them dry between applications. Apply preferably three to five layers of lacquer. Attach a cord for hanging.
