A Teddy Brooch

Small teddies dressed in felt, decorative ribbons and tulle. The teddies are glued onto a brooch back.

A Pixie Girl

Cut a piece of ribbon measuring approx. 15cm and sew small tack stitches along one side. Gather until it measures approx. 5cm.

Put the skirt around the teddy's waist and sew it on.

Glue together to make a small cone, glue on a pom-pom and glue the hat onto the teddy's head. Glue a brooch back onto the back of the teddy.

Double over a piece of ribbon measuring approx. 4cm. Sew together and tighten the thread around the middle to make a small bow. Glue this onto the teddy's head.

Glue wings and a brooch back onto the reverse.

A Pixie Boy

Cut a piece of ribbon measuring approx. 10cm and tie it on as a scarf.

Cut a circle measuring approx. 2.5cm in diameter. Cut it in half.
