

Candle Holders connected with a Leather Cord

STEP BY STEP 023

Inspiration: 14291

Cut a piece of leather cord measuring approx. 50 cm and tie a knot at one end. □

Thread the candle holders and the wooden beads onto the leather cord.

Leather Cord, thickness 2 mm, natural, 10m 51555

Candle Holders, H: 3.4+5 cm, D: 6.2+9 cm, pine, 1set, hole size 2.2+4.2 cm 56429

Finish with a knot and cut off the excess leather cord.

Candle Holders connected with a Leather Cord

These four wooden candle holders with a transverse hole are threaded onto a leather cord together with wooden beads.
