

A white Mug with a graphic Design

STEP BY STEP 023
Inspiration: 14630

Use a tape measure and measure the precise distance (15 mm) between the vertical lines. Mark with a pencil.

Use a ruler and draw with a black glass and porcelain marker. Leave to dry. A tip: The mug with graphics is dishwasher safe at a low temperature, when it is fixed for 90 min. in a household oven at 160° C.

Mug, H: 11 cm, D: 8.5 cm, white, 1pc 55607

Glass & Porcelain Contour, line width: 1-2 mm, black, contour, 1pc 31314

Tape Measure, L: 150 cm, , 6pcs 41062

A white Mug with a graphic Design

These white stackable mugs are decorated with black graphics using a glass and porcelain marker.
